

*A one-day course which covers every aspect of farm team working. Whether you're the vet, the nutritionist, the genetic advisor or any one of those many others working together to support the farm in moving forward; it's what we live for. However, there can be many hurdles before this dream of having a calm confident meeting. This course allows plenty of discussion and sharing of ideas, as well as some of the principles behind teams.*

### A ONE-DAY PRACTICAL COURSE WITH SMALL GROUPS

- ✓ To learn the importance of seeing the whole picture and the aims of the farm
- ✓ Communication is key
